### Making Up

Cut two pieces of yarn about 35cm (12½in) long and tie a knot in one end of each. Sew each

knot to either side of one of the moustache pieces.

Pin the other moustache piece to the first, ensuring that the two pieces of yarn are sandwiched between the two. Sew the moustache pieces together by oversewing around the edge using small tight stitches to create a smooth finish.

Weave in ends, tie around your head and your moustache disguise is complete!

(Alternatively use the elastic cord to keep your moustache on.)
